

RAJA SHYLESH

Coimbatore, Tamilnadu, India | P: +916382678962 | rajashylesh@gmail.com | [github](#) | [linkedin](#)

OBJECTIVE

Adaptable and driven professional with a strong interest in backend development and systems engineering. Focused on building scalable, reliable solutions and eager to grow in high-impact, technically challenging environments.

EDUCATION

Rose Mary Higher Secondary School

Computer Science

HSC

Jul 2021 - May 2023

PSG College of Technology

Bachelor of Computer Science and Engineering

Engineering

Aug 2023 – Present

CLUBS, VOLUNTEERING & MORE

The Eye Club

Volunteer

April 2025 - Present

- Plan and coordinate cybersecurity workshops and CTFs.
- Oversee event planning and technical setup.

PROJECTS

MuseMap – Chatbot Ticketing Platform

Mar 2025 – June 2025

- Built a full-stack museum ticketing site with a chatbot for guided reservations.
- Frontend in React.js; backend & database in Supabase Edge Functions; payments via Stripe API.
- Chatbot automates museum selection, booking flow, and error handling—streamlining the user journey end-to-end.

Sidekick – Campus Companion App

July 2025 – Present

- Developing a mobile platform to streamline everyday college life by simplifying access to resources, connections, and common campus tasks.
- Built with Flutter for a smooth cross-platform experience; uses Firebase for auth, real-time data, and backend services
- Focused on simplifying common student tasks through a clean interface and fast, intuitive flows
